

Would you like a warehouse / fulfillment position in a growing dynamic organization? How about **full-time, Monday-Friday, day shifts**? What about a fun, highly supportive team environment?

If yes, yes and yes, we want to talk with you!

We are looking for outgoing, dependable, personable individuals that want to be part of a winning team and grow with us.

You will be responsible for accurate fulfillment of orders. Retrieving items from proper locations, allocating to appropriate orders and preparing for shipping to end user. Verify completeness of goods received against internal and external orders, invoices and other records. Operate pallet jacks, dollies and hand trucks.

Qualifications:

- Minimum High School diploma or equivalent
- Must be 18 years of age or older
- Ability and dexterity to work in a fast-paced standing/moving position for long periods of time required.
- May be required to work both inside and potentially outside in cold, heat and humidity depending on season.
- Must be able to lift a minimum of 50 lbs.
- Willingness to work overtime as needed.

Preferred:

- Prior working experience in a distribution center environment
- Ability to work with RF scanner
- Certified in operation of a Reach Truck
